

About Delta Capita

Delta Capita, a Prytek Financial Services Business, is a leading global Capital Markets consulting, services and technology provider with a unique combination of experience in financial services and capability in technology innovation.

TipRanks, part of the Prytek ecosystem, has successfully reinvented the way in which capital market information and data is researched and digested by individual investors, financial bloggers, analysts, financial news, and corporates alike.

► Reinventing the Financial Services Value Chain

Delta Capita is accelerating its focus and investment within the MENA region of which has seen exponential growth in the FinTech space and would welcome the opportunity to help support your business.
